## FYI

### KEEPING CHURCH SAFE FOR ALL AGES

We had an injury after church a couple weeks ago with a child who was running around many people. Friendly reminder that we do need parents' help in preventing their children from running in the sanctuary. This could result in serious injury for some of our brothers and sisters in Christ. Thanks for your help in this.

### IMPORTANT NOTICE FOR CHILDREN'S MINISTRY

Hi Parents, we need your help during Sunday services. In order to make sure each department of children's ministries are properly staffed and organized, please note that only babies in the nursery are to be in the nursery, no toddlers or older kids please. We ask our parents to have their toddlers to remain in church upstairs with them until they are dismissed for junior church. If needed, the grey room can be used for kids needing to "move" with the projector streaming our service. Thanks for your help in this important matter!
